

## PLAN A FALL FIELD TRIP TO FLAMING ACRES FARM

Flaming Acres is opening the farm this fall for field trips. We encourage teachers and parents from elementary schools & homeschool groups to plan a visit. For elementary schools grade Kindergarten through 4th grade admission fee is only \$8 per student. Teachers and chaperones have free admission.

If your group came to Flaming Acres in the spring for a field trip, your students receive a \$2 discount. Teachers and chaperones have free admission.

Opening day is October 4th-October 27th Wednesdays, Thursdays, and Fridays. There are two daily session times to choose from. The morning session is 9:00 a.m.-11:00 a.m. with time for a picnic lunch from 11:00 a.m.-11:30 a.m. The afternoon session is 12:00 p.m.-2:00 p.m. with time for lunch from 11:30 a.m.- 12:00 p.m. To sign up for your date & time scroll down to the online registration form and select your preferred dates and times. Payment is due two weeks prior to the field trip date. One adult chaperone/10 students is the recommended ratio. Younger or special needs students may require a 1/5 student to chaperone ratio. Kindergarten to 3rd grade is the ideal age range for the type of agricultural education experiences designed at the farm.

Upon arrival, each group leader will be provided directions for navigating through the farm in a sequence with specific time intervals which will keep everyone moving to help avoid the problem of missing an activity or wasting time standing in line.
